

Premium Select WP11

Thickness: 1"
Width: 4", 6"
Lengths: 8' - 20'

Looking for a classic, rustic look that stands the test of time?

- Dakeryn Premium Select WP11 is a shiplap pattern manufactured using hand selected J-Grade (Japan grade), the highest grade of dimension lumber. Hand selecting assures our finished product has no holes, wane, or loose knots.
- The WP11 shiplap pattern is lightweight and easy to install using the rabbeted overlap edge.
- Available in a natural or factory primed finish, Dak Siding is ready to be customized to meet your project requirements.
- When you use Dak siding for your next project, you can expect a seamless fit, consistent quality, and a beautiful natural wood finish that will hold up for years to come.

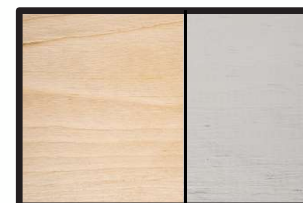

DAK SIDING

Recognized across North America as an exceptional product in terms of quality, consistency and value.
