Looking for a beautiful and long-lasting trim solution?

- Dak Trim is a high quality, cost-effective, and long-lasting natural SPF (Spruce) trim.
- Dak Siding is manufactured using hand selected SPF Appearance/J-Grade (Japan grade) raw material. Hand selecting assures our finished product has no holes, wane, or loose knots.
- All Dak Trim Treated fascia is sealed with **PPG Fast Dry Acrylic Latex Primer** which provides exceptional mold and mildew resistance. Finishing in a flat gray, minimize your painting requirements on the job site, and make top coats a breeze!
- This product can be installed as finishing trim, door, window and garage trim, corner boards, and facing columns.
